

PAST PRESIDENT

I am extremely pleased with the board's work this year and would like to thank Grant and the other board members for their commitment to Athletics in our province. The Sask Athletics Board of directors work very hard to ensure that the business of Saskatchewan Athletics is up to date and is meeting the needs of its members.

I would like to thank Bob, Janine, Paul and Tanika for their dedication and professionalism they bring to their jobs every day. This allows for the day to day running of programs and services to be facilitated effectively to the members of Saskatchewan Athletics. This year results show that our programs are making better athletes capable of achieving greater goals.

I would also like to thank Janine for her years of service as she enters retirement. The last thank you I would like to extend is to the officials, coaches and our athletes. You all have represented our province very well this past year.
