- Yes
- No

LIABILITY:

A variety of therapeutic services may be provided for the athletes attending the Legion Provincial Track and Field Camp. The therapists may be student therapists that are completing clinical hours as part of their educational program. The athletes may wish to receive treatment before their events to limber up their muscles or following their event to cool down and prevent lactic acid build up in their limbs. The student therapists will be supervised by registered therapists at all times and the treatment will be performed through clothing or directly on skin on areas already exposed (i.e. legs, arms, ect.). All athletes under the age of 18 must have a parent or legal guardian indicate their consent before any of the therapeutic services are performed.

Your child will reside at the University of Regina Housing from July 4-8, 2023. I understand that my child must abide by the University of Regina Housing/Hospitality policies and guidelines as stated online and in the Guest Directory. The athlete will be responsible to any and all damages that may occur.

I acknowledge the risk involved with this activity including, but not limited to, muscle tears, sprains, and other physical injuries. I certify that my participation is voluntary, and I have been made aware of the risks. I accept all risks that may occur during camp from preexisting or new injuries.

We certify that we have read the above declarations.

Athlete Signature	Parent/Guardian Signature	Date
