## **Mission, Vision and Values**

Saskatchewan Athletics is a non-profit Provincial Sport Governing Body and is a member of Sask. Sport Inc. Our **mission** is to promote the sport of Track and Field, Cross Country Running, Road Racing and Race Walk by facilitating the development and maintenance of effective programs, which assist athletes, coaches, officials and volunteers in a fair and positive environment.

The **vision** of the Association is to develop the widest participation and highest proficiency amongst the members of Saskatchewan Athletics. We will accomplish this by:

- a) Arranging or assisting in the arrangement of courses of instruction for coaches, athletes, officials and other interested persons in matters relative to the sport
- b) Promoting or assisting in the promotion of national meets, championships, competitions, demonstrations and events relative to Athletics
- c) Setting and enforcing rules and regulations covering all members of the association (in conjunctions with Athletics Canada and the International Amateur Athletic Federation) and the repression of any abuses in the sport by members of the Association.
- d) Approving any competitor or team competitors chosen to represent Saskatchewan Athletics in National, Regional or District competition either in Saskatchewan, Canada or abroad.
- e) Creating, stimulating and increasing interest in all matters of Athletics
- f) Printing and circulating official publications and such other material as may seem conducive to the objectives of the Association.
- g) Without limiting the generality of the foregoing to do all things feasible for the betterment of Athletics within and outside the province of Saskatchewan.

*Saskatchewan Athletics was incorporated in 1974. We **value** its membership, which includes fifty-five clubs with over 2,500 athletes, officials and coaches throughout the province. We also have working agreements with the Saskatchewan High School Athletic Association, the Universities of Regina and Saskatchewan as well as several Aboriginal Sports Organizations. We are committed to initiating programs for the enhancement of Athletics in grassroots and youth categories, high performance development leading to Provincial/National/International competitions and assisting with the integration of Masters and Paralympic classifications into the mainstream of our sport.*
