

SASKATCHEWAN OFFICIALS

This is our second summer with a more “normal” track & field season beginning with the May 13, 2023 meet in Regina. Please consider volunteering. The summer schedule is available on the SA website with five meets running from May 13 to July 23.

After the school meets with some officials helping our Sask teachers, meets continue in June with the SaskTrials, June 9-11 in Saskatoon, SOLE-stice Classic on June 17 in Saskatoon. July will be a busy month, hopefully with more mentoring opportunities with Provincials in Regina, July 15-17 and Sask vs Manitoba Dual in Regina, July 21-23.

Please continue to keep a record of your sessions worked, not only for upgrading purposes but also to ensure you receive your incentive rewards: shirt, synch bag, pen, waterproof clipboard and long-sleeved shirt. To thank our officials for their volunteer hours our officials will receive a New Balance full zipper white Jacket.

Congratulations to Dave Elder who was named Official of the Year for 2022. Dave started officiating as many have as a teacher in Saskatoon Catholic School system. In 18 years working as a SA official, Dave has achieved a Level 4 in Vertical Jumps official, mostly working at the Pole Vault. Congratulations are also in order for Toni Beerling who last fall was inducted into the Saskatchewan Sports Hall of Fame in the Builder category. Thanks to Toni for her 50 years of service as an Athletics official for 50 years.
