

EXECUTIVE DIRECTOR'S REPORT

Saskatchewan Athletics continues to offer programs for the development of athletes, coaches and officials. This is largely due to stable funding from Sask Sport and the support we get from our sponsors like Brainsport, Track and Trail along with a number of self-help initiatives.

We received funding again from Canada Jobs Summer Placement. Please welcome Spencer House who will be our Program Assistant till August 22. Attleigh Maloney will be here till June 27 working on clinics and other things.

Congratulations, to all the athletes on their medals won or records set this past indoor season. This is our Canada Summer Games summer and we wish the team good luck in St. John's, Newfoundland in August.

The annual Legion Track and Field Camp will be held in Regina, July 8-12 with the National Youth Championships scheduled in Calgary, Alberta, Aug 8-10. Our U16, U18 and U25 will travel to Foote Field in Edmonton for our tri meet on July 18-20.

For the second straight year we have our Provincial Road Championships this summer. The 5km, 10km, Half and Marathon will take place in Saskatoon on May 25. Our 1 mile road race will The Trail Championship will take place at the Beaver 50 at Sask Landing on Sept 13.

The Officials continue to recruit and train new officials in this province. We support this process and assist with their travel within Canada for upgrading or mentoring. Many of our officials will be busy this summer. Our recognition program for Saskatchewan Athletics Officials is a success and it is just a small way of saying thank you. If you wish to get involved please contact the office and if you have any questions, please call our SOC chair in Brenda O'Connor.

As we prepare for the summer, I would like to wish good luck to all our Saskatchewan Athletes as they prepare for the National Championship and the Canada Summer Games. Congratulations, if you are selected to a national team this summer.
