Solestice – Laura summarized the results from the survey that was sent out to all regions. We will continue the program with a few tweaks as suggested. Harvey and Laura will work on this over the winter.

Officials Management System – This was discussed at yesterday's Meet Directors Meeting. We will be switching to the new Athletics Canada program January 1, 2027. It will be mandatory for all meet directors to use this program for scheduling officials. Bob also reported we will be doing away with the Official's incentive program and instead all Official's will get something yearly. When the new program is up and running, we will send out "how to use" information to all Officials so hopefully this will be an easy transition. There were also comments about volunteers staying for the whole session instead of only being scheduled for a couple of hours and leaving part way through the event they are working at. We would like to have volunteers become Officials and will try and promote this better.

| <b>ITEM#5    EXECUTIVE &amp; COMMITTEE REPORTS</b> |
|----------------------------------------------------|

Participation – Written report reviewed. It was brought up how the team is picked at Legion Camp to represent Saskatchewan at Legion Nationals. Discussion. Bob has had discussions with them but ultimately this is a Legion and not a Sask Athletics program.

Officials Committee – Written report reviewed

Masters Committee – The Athletics Canada meeting regarding how Master's records are going to be handled was held and the motion was rescinded so nothing will change with regards to Master's records.

Excellence – Bob reviewed written and High-Performance Coach reports.

Executive Director – Written report reviewed. A proposal was presented to the Board with changes to sanction fees for road, mountain and trail events.

**BRDM26-31** To accept the Proposed updates to Saskatchewan Athletics sanction fees for road, mountain and trail events beginning January 1, 2027.  
Wood/Wilson

The proposed budget for 2026-2027 was reviewed.

**BRDM26-32** To accept the budget for 2026-2027 as presented  
Wilson/Labach

Bob will be having a meeting with Regina as there are a number of meets happening in Regina/Weyburn the summer of 2028. A few of these are not sanctioned by Sask Athletics but they will be wanting to use our Officials. This will be a big burden on the Officials of Saskatchewan to provide Officials to all of our sanctioned events as well as these non-sanctioned events.

Current Policies and Protocols need to be organized all in one place on the website. Bob will have Jared work on this to ensure all information is under one heading.

**BRDM26-33** To accept the reports of the Board, Executive Director and Committees as presented
